## **PRESENTATION STRUCTURE**

- Opening/ Beginning .. 3-5 min.
- Middle section ... 12-15 min.
- Closing/ End .. 2-3 min.
- Discussion/Questions .. 5 min.

## **EFFECTIVE COMMUNICATION**

Make eye contact, but don't stare. If this makes you uncomfortable, look at their nose or their forehead.

Project your voice, but don't shout.

Speak clearly and enthusiastically- don't just read from a script.

## **EFFECTIVE COMMUNICATION**

Be aware of your facial expression. Smile!

Use hand gestures.

Don't fidget- plant your feet.

## **PRESENTATION TIPS**

- Find out where your presentation is.
- Find out what equipment is available.
- Find out how many people will be there.
- Have a plan in case technology fails!
- Your audience will ask questions- be prepared.
